**Sticks collants pour le nettoyage et la manipulation de composants**

Extrémité en polyuréthane. Lavable et réutilisable.

**Haftende Stäbchen für die Reinigung und Handhabung der Komponenten**

Endstück aus Polyurethan. Waschbar und wiederverwendbar.

**Adhesive swabs for cleaning and handling of components**

Head of polyurethane at the extremity. Washable and re-usable.

**Bastoncillos pegajosos por limpieza y manipulación de componentes**

Extremos en poliuretano. Lavable y reutilizable.
